Subject: RO2986 PHONE LOG 2009-05-06
Entry Type: Phone call

Start: Wed 5/6/2009 1:33 PM
End: Wed 5/6/2009 1:33 PM
Duration: 0 hours

Peter Schaefer of CRA called re the initial directive letter sent for this site. He has reviewed site data and believes contamination may be consistent with previous case closure. Therefore, they may not submit a Work Plan for additional work. I indicated that he should present the data and interpretation in lieu of a Work Plan if the contamination is residual and is described in previous case closure.
