Hello Lynn,

The site has been closed as of this afternoon. The closure letter and summary are being sent via US mail to Mr. Howard and Mr. Armstrong, and is currently being uploaded to GeoTracker. Attached is a PDF copy for your records.

Paresh,

Thank you for your voice message today on the completion of the Summary Closure Report. I greatly appreciate the effort that you and Donna put into this case to move it as quickly as possible. I am not sure exactly how you forward the Report to the Regional Water Quality Control Board, but I wonder if you could share whatever transmittal or email was sent so I can show the Oakland Housing Authority when it was submitted. Also, is it possible to obtain a copy of the Report for ourselves and the current owner?

Again, thank you so much for the work and consideration both of you provided.

Best regards,

Lynn Berard
