Received a call from Lynn Berard and Clint (Oakland Housing Authority) regarding ACEH's letter stating that the site will be evaluated for Case Closure. Lynn and Clint were wondering when the letter to the Regional Board would be sent recommending case closure. I explained to them that ACEH will prepare a closure summary. The summary will then be reviewed internally. Once internal review is complete and if closure is still recommended, the summary will be forwarded to the Regional Board for their concurrence. I told them that this process, with the most optimistic time frame would be approximately 8 weeks.
