Dear Jerry,

I was hoping to ask you for a 1-week extension for submittal of 316 38th Street, Oakland report, due to you on August 25th.

We had received our budget pre-approval from our client not too long ago, and although I thought we had enough to submit it on time, with some unplanned laboratory-related delays it looks like we may not be making the deadline.

I apologize for any inconvenience, please do not hesitate to call me at (925) 734-6400, if you have questions or comments.

Sincerely,

Elena K. Manzo
