Re; case, spoke to Holly in Aug 2005, requested addtl info, she said AEI no longer had file & transaction fell through so RP not requesting review.

She said property transaction active again.

Need from her:

Clarification of address, have 16660 & 16670-16690 E 14th, identify addresses using parcel map, etc.

Need maps showing locations of UST & dispenser system for the new and the old gas stations.

Need boring locations plotted on map to show relation of investigation locations to actual source areas.

Site is unincorporated San Leandro.

Sher will get this information to me.
