Hi Donna. Thanks for speaking with me today. My contact information is as follows:

Bryan McCormack, 5925 Ocean View Drive, Oakland, CA 94618. Phone: 415-235-1245.

As I mentioned to you on the phone, we are in the process of selling our house and the tank was discovered during the inspection process. We are set to close on May 12th, but the buyers will likely not close if there is an outstanding issue with contamination. The tank was removed and the contamination was excavated until they hit rock. A second sample was taken which showed a small amount of contamination remaining. I know you are very busy but I would really appreciate it if you can do whatever possible to make this case a priority due to the pending sale. I will call Keith at the City of Oakland to make sure he sent the file to you. Please call or e-mail me once you have reviewed the file. Thanks.
