Hi Cherie,

Attached is a closure summary for RO0003003; the McCormack / Chackerian Property, located at 5925 Ocean Drive in Oakland, in order to comply with the RWQCB's 30-day review period. If no comments from the RWQCB are received within the 30-day review period, ACEH's will proceed with case closure.

This was a recent home heating oil UST removal with one round of subsurface investigation. No wells were installed.

Should you have questions, please let me know.  
Best,
