Hi Donna:

I completed the transfer form and put it in your mail box with a copy of my follow-up inspection report, pictures and Spill Report from Calif. Emergency Management Agency.

They called me & told me it's not a water related issue & essentially that doesn't concern me... Can you fill out a case transfer form to complete the paperwork loop & LOP will follow up from here.

Case #3 at this site, we had just closed a case here in June. Thanks!

Mr. Seto,

I'm sorry I missed your messages. I've been working out of our Oakland building. I will be in and out of my office in Alameda today. Please, if you cannot reach me at my office telephone number, call me on my pager.

I will be in a meeting today between 8:30 a.m.- 10:30 a.m., other than that I should be available.

Thank you.

Hydraulic line leak @ 620 Central
Ave., Alameda

Hello Ms. Cooley: In regards to your reported release of hydraulic fluid from the elevator at the referenced site, please contact Cal EMA, formerly OES, @ 1-800-852-7550 or call 916-845-8911 to report your release. Their offices will complete the spill report and notify the other interested agencies. Someone from our office may be contacting you to determine if additional information or assessment may be required.

Ms. Cooley: ph 510-337-5087, fax 510-337-5108
