Dear Ms. Costello, Mr. Costello, and Mr. Woolverton:

Alameda County Environmental Health (ACEH) has been providing regulatory oversight of the above-referenced site under the Local Oversight Program (LOP) for unauthorized releases from petroleum Underground Storage Tanks (USTs). However, as discussed in our meeting on July 12, 2012, site characterization activities have identified tetrachloroethylene (PCE) and its daughter products as the primary contaminants in soil and groundwater at the site. Therefore, the site is being transferred to ACEH's Site Cleanup Program (SCP), which regulates and oversees site investigation and cleanup from unauthorized releases of non-petroleum hazardous substances.

In order for ACEH to complete the regulatory review and closure process, we require a deposit to an oversight account. Please send a check in the amount of \$10,000.00 payable to Alameda County Environmental Health. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$189.00 per hour.

Please write "SCP" (the type of project), the site address, and the AR# 0302984 on your check.

If you have any questions, please contact Dilan Roe at (510) 567-6767.

Sincerely,

A handwritten signature in black ink, appearing to read "Ariu Levi".
