Chevrolet North Parcel, 7544 Dublin Boulevard and 6707 Golden Gate Drive, Dublin, CA 94568

Dear Mr. Beritzhoff:

Thank you for the "Dublin Apartments Permeable Reactive Barrier Construction Completion Certificate," dated January 28, 2016, the "Dublin Apartments Indoor Air Report," date June 28, 2017, and the "Vapor Mitigation System Construction Completion Certification," date July 17, 2017, all prepared by Amec Foster Wheeler for the subject site. Based on a review of the mentioned documents and the case file, the required mitigation measures appear to be constructed in substantial conformance with the approved work plans. Therefore, Alameda County Department of Environmental Health (ACDEH) staff does not object to proposed occupancy at the subject site.

Thank you for your cooperation. Should you have any questions or concerns regarding this correspondence or your case, please call me at (510) 777-2478 or send me an electronic mail message at paresh.khatri@acgov.org.

Sincerely,

Paresh C. Khatri
