Hi Paresh -

As requested in your March 24, 2010 letter to Betty J. Woolverton and Patrick Costello, attached is an Underground Storage Tank Unauthorized Release (Leak)/Contamination Site Report for the Crown Chevrolet-Cadillac-Isuzu site at 7544 Dublin Blvd and 6707 Golden Gate Drive, in Dublin. Please note that we left cells blank where our current knowledge of the site did not permit us to choose one of the selections.

As we discussed, let me know if you need an original signed version of the form, and I can send that over to you.

Thanks, Avery
