Hello Aubrey,

Attached is the only technical document in the Alameda County Environmental Health online case file for this site. The report references 3201 Rand or Lakeshore Avenues in Oakland.

Hi Jerry,

Remember this blast from the past? The Regional Board just sent Shell a letter directing them to claim the site in GeoTracker so I'm researching it again. Would you send me the document(s) you have referencing the possible UST in question. Any information you have would be useful.

Thank you so much!
Aubrey
