**Subject:** 3201 Lakeshore Avenue, Oakland, Ca at Rand Avenue

Hi everyone,

I am conducting an environmental site assessment on the following property:

- 3201 Lakeshore Avenue (aka Fuel Leak Case No. RO0003056 and GeoTracker Global ID T0600101220; Unknown Grand Avenue & Lakeshore Avenue, Oakland, CA 94610)

As part of the investigation, I would like to review any and all records you have for the above-referenced property. I found some information in GeoTracker and additional info under the global ID in the ACEHD Website. Please let me know if there are any additional records to review. It looks like it's an open release site and would like to know if there are any additional investigations conducted onsite since 1985.

Please contact me via phone (415-373-6317) or via email ([ssan@PARTNEResi.com](mailto:ssan@PARTNEResi.com)) to schedule an appointment for a file review. Thank you for your help!
