Hello Ms. Drogos,

P.J. Smith working with Mark Waldman Eng. on property 2520 Blanding Ave. Alameda,

I spoke with Mr. Waldman and he said he sent everything to you at the state. I have a buyer for the property and would like to do the work to correct the soil problem

Please let me know what stage or where we are at time frame for getting a response from the state. I really appreciate your help and look forward to your response.

Have a great week,

P.J. Smith
