Did UST removal submitted report to OFD & OFD transferred to ACEH  
He indicated that other work performed at site & other analytical data but retracted that & said all reports submitted to OFD (UST removal) has consultant SOMA & they want to do an investigation. and they want to do under oversight. (?)  
→ discrepancies in his description of work at site and reports & reporting.

Requested he submit all reports for site so it can be reviewed & case created. Will be listed after SWRCB resolution reqd activities completed in July
