RE: Tank Removal Report/Closure for 6501 Shattuck Avenue in Oakland, CA

Permits:

CES obtained permits from the Oakland Fire Department as required.

UST – Content Removal and Cleaning:

CES pumped out and triple washed the (6) tanks on September 29, 2009. The product and rinse water was removed, transported with a vacuum truck and disposed of by Clearwater Environmental management Inc.

Tank Inerting:

On September 30, 2009, CES used dry ice to inert the tanks and test prior to cutting the tanks open to inspect the tanks to insure they were clean prior to removal and disposal. After cutting open the tanks, two tanks had a small amount of solids that needed to be removed prior to removing the tanks so CES rewashed those two tanks and once again Clearwater Environmental used a vacuum truck to remove transport and dispose of the waste generated by the cleaning activities.

Tank Removal:

On October 1, 2009, the tanks were inspected by the Oakland Fire Department and after the LEL was checked, CES used a backhoe to remove the (6) tanks and the tanks were loaded onto a trailer and transported to Sims Metals in Richmond California, to be recycled as non hazardous. Upon removing the tanks, several holes were noted in (4) of the (6) tanks. Tanks # 1,2,5,6 had holes. After the tanks were removed, soil samples were collected at the direction of the Oakland Fire Department. Samples were taken under the tanks and from the sidewalls of the tank excavations as well as the stockpiled soil on site. After the sampling activities were completed, the stockpiled soil was covered with visqueen and the site was secured until the results were available.

RE: Tank Removal Report/Closure for 6501 Shattuck Avenue in Oakland CA

Samples:

The samples were taken using a backhoe and collected from the backhoe bucket, CES used brass tubes with Teflon liners and caps with Teflon tape. The samples then were placed on ice in an ice chest and transported under a chain of custody to a certified laboratory for analysis.

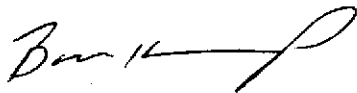

All of the paperwork ie; manifest, chain of custody, lab results, scrap metal receipts are attached. A UST unauthorized release/leak report was completed and given to the owner to turn in to the Fire Department.

At this point CES has completed its work as authorized by the owner. At this time CES does not have any future work at the site authorized by the owner. CES is still talking to and trying to help direct the owner as to the best solutions for the site. The owner wants to do what is required to get the site cleaned up.

CES Controlled Environmental Services enjoyed working with you on this project. We trust that you will find everything in order. If you have any questions or concerns, please feel free to call me at (925) 625-1736.

Respectfully yours,

CES Controlled Environmental Services

Excavation dimension and dept of tanks. For Athan Magganas
located at 6501 Shattuck ave, Oakland, ca

Excavation # 1

Tank #1,2,3,4 is located in excavation # 1. Tank bottoms are 10 feet below grade, and excavation dimensions in 18 feet by 25 feet.

Excavation #2

Tank# 5(55 oil drum) . Tank bottom is 4 feet below grade, excavation dimension is 4 feet by 7 feet .

Excavation# 3

Tank # 6 is located on south end of lot. Tank bottom is 7 feet 6 inches below grade. Excavation dimensions is 8 feet by 16 feet.

Abbreviations

T- means Tanks

EX-1- means excavation area #1

EX-2- means excavation area #2

EX-3- means excavation area # 3

SP-1- means stockpile # 1

SP-2- means stockpile # 2

Comments:

Tank #1 and 2 had hole's in bottom and at end of tanks.

Tank # 5 which is a 55 gal drum had hole in botton of drum.

Tank # 6 had hole's in bottom of tank.

Tank#1 and tank#2 are 1,000 gal steel tanks.

Tank#3,4,6 turned out to be 2,000 gal steel tanks.

Tank#5 is a 55 gal drum layed down and used for recycled oil.

Comments(continued)

Ground water was observed in Excavation # 1 at a dept of 11 feet below grade.

Ground water was also observed in Excavation# 3 at a dept of 7 feet below grade and has fuel residue on top of water.

Sample log for Athan Magganas located at 6501 shattuck
ave, Oakland, ca

T-4 Sample taken at 13 feet below grade using backhoe bucket.
T-3 Sample taken at 13 feet below grade using back hoe bucket.
T-2 Sample taken at 13 feet below grade using back hoe bucket.
T-1 Sample taken at 15 feet below grade using back hoe bucket.
T-5 Sample taken at 6 feet below grade using back hoe bucket.

Method for side wall sampling was the use of hand auger and a slide hammer with extentions with sample tubes to get side wall samples in excavation. This method was only used in excavation #1 and #3. No side wall samples were taken from excavation #2 due to a shallow dept.

EX-1-E-W Side wall sample at 13 feet below grade on east wall.
EX-1-N-W Side wall sample at 10 feet below grade on west wall.

WorkOrder: 0910023

October 08, 2009

Dear Mike:

Enclosed within are:

- 1) The results of the **16** analyzed samples from your project: **#3041; Athan Magganas**,
- 2) A QC report for the above samples,
- 3) A copy of the chain of custody, and
- 4) An invoice for analytical services.

All analyses were completed satisfactorily and all QC samples were found to be within our control limits.

If you have any questions or concerns, please feel free to give me a call. Thank you for choosing

McC Campbell Analytical Laboratories for your analytical needs.

Best regards,

Angela Rydelius
Laboratory Manager

Sample Receipt Checklist

Client Name: **Controlled Env. Svcs. (CES)**

Date and Time Received: **10/1/2009 5:50:19 PM**

Project Name: **#3041; Athan Magganas**

Checklist completed and reviewed by: **Melissa Valles**

WorkOrder N°: **0910023** Matrix Soil

Carrier: Client Drop-In

Chain of Custody (COC) Information

- Chain of custody present? Yes No
- Chain of custody signed when relinquished and received? Yes No
- Chain of custody agrees with sample labels? Yes No
- Sample IDs noted by Client on COC? Yes No
- Date and Time of collection noted by Client on COC? Yes No
- Sampler's name noted on COC? Yes No

Sample Receipt Information

- Custody seals intact on shipping container/cooler? Yes No NA
- Shipping container/cooler in good condition? Yes No
- Samples in proper containers/bottles? Yes No
- Sample containers intact? Yes No
- Sufficient sample volume for indicated test? Yes No

Sample Preservation and Hold Time (HT) Information

- All samples received within holding time? Yes No
- Container/Temp Blank temperature Cooler Temp: 5.6°C NA
- Water - VOA vials have zero headspace / no bubbles? Yes No No VOA vials submitted
- Sample labels checked for correct preservation? Yes No
- Metal - pH acceptable upon receipt (pH<2)? Yes No NA
- Samples Received on Ice? Yes No

(Ice Type: WET ICE)

* NOTE: If the "No" box is checked, see comments below.

BATCH 46130 SUMMARY

Lab ID	Date Sampled	Date Extracted	Date Analyzed	Lab ID	Date Sampled	Date Extracted	Date Analyzed
0910023-007A	10/01/09 2:23 PM	10/01/09	10/02/09 11:08 PM				

MS = Matrix Spike; MSD = Matrix Spike Duplicate; LCS = Laboratory Control Sample; LCSD = Laboratory Control Sample Duplicate; RPD = Relative Percent Deviation.

% Recovery = $100 * (MS - Sample) / (Amount Spiked)$; RPD = $100 * (MS - MSD) / ((MS + MSD) / 2)$.

MS / MSD spike recoveries and / or %RPD may fall outside of laboratory acceptance criteria due to one or more of the following reasons: a) the sample is inhomogenous AND contains significant concentrations of analyte relative to the amount spiked, or b) the spiked sample's matrix interferes with the spike recovery.

N/A = not enough sample to perform matrix spike and matrix spike duplicate.

NR = analyte concentration in sample exceeds spike amount for soil matrix or exceeds 2x spike amount for water matrix or sample diluted due to high matrix or analyte content.

In accordance with the Clean Air Act and other applicable laws, seller must sign the Scrap Acceptance Agreement form provided at the scale at least one time every 3 years, which applies to any recyclables in the transaction which may contain or have contained refrigerants or other potential Hazardous Materials.

FOR SALVAGE VEHICLE SALES: I hereby certify, under penalty of perjury that any vehicle sold has been cleared for dismantling with the Department of Motor Vehicles.

HOLD HARMLESS AGREEMENT: Seller will indemnify and hold buyer harmless for damages, demands and liabilities, including reasonable attorney's fees, resulting from the breach of any warranty hereunder and driver agrees to be responsible for damage to vehicle during unloading.

BILL OF SALE: I warrant that I am the owner (or owner's representative) of the material described herein and have the right to sell same, that it contains no Hazardous Material as defined in the Scrap Acceptance Agreement or otherwise by any federal or state law and that for payment hereby received, I sell and convey title to Sims Hugo Neu.

Seller certifies that all refrigerant including but not limited to Chlorofluorocarbons and Hydrochlorofluorocarbons (collectively "CFC's") Refrigerants and their substitutes as defined in section 608 of the Clean Air Act that has not leaked previously have been recovered from appliance and motor vehicles prior to delivery. I understand it is unlawful to release Freon and CFC's into the atmosphere and that any CFC's must be properly removed before appliances or motor vehicle air conditioners can be recycled. I verify that either (check one):

- (1) all CFC's previously leaked from this container, or
- (2) all CFC's were properly recovered in accordance with 40 C.F.R. Section 82.156(g) and (h) by:

El vendedor certifica que todos los refrigerantes incluyendo pero no limitado a CFC's y HCFC's Refrigerantes y sus sustitutos como se define en la sección 608 del Acta de Aire Limpio que no ha goteado previamente han sido recuperados de los electrodomésticos y automóviles antes de ser entregados.
Yo entiendo que es contra la ley liberar Freón y otros clorofluorocarbonos y hidroclorofluorocarbonos (legalmente llamados CFC's) en el aire y que todos los CFC's tienen que estar removidos apropiadamente antes de que los aparatos o aire acondicionados de los carros puedan ser reciclados. Yo verifico que (cheque uno):

- (1) todos los CFC's han sido previamente evacuados de este contenedor, o
- (2) todos los CFC's fueron recuperados en forma apropiada de acuerdo con 40 C.F.R. Sección 82.156(g) y (h) por:

Seller's Warrant/Seller's Warrant: Seller warrants and represents to the Purchaser the material transferred, by the Seller to the Purchaser pursuant to this Agreement is not and does not contain a "hazardous substance" as said term is defined in the current applicable federal or state environmental laws, rules, or regulations. In the event Purchaser incurs any liability or obligation due to a breach of said warranty and representation, Seller agrees to indemnify and hold Purchaser harmless from all such liabilities and obligations. Notwithstanding the foregoing, nothing set forth herein shall constitute a waiver by Seller of any rights under the law pursuant to any written or oral agreements that it may have against any entity.

EL VENDEDOR GARANTIZA. El vendedor garantiza y representa al Comprador que el material transferido, por el Vendedor al Comprador de acuerdo a este acuerdo no es y no contiene "sustancias peligrosas" como se dijo en e termino como se define en las leyes, reglas, o regulaciones ambientales federales y estatales. En el evento que el Comprador incurra alguna responsabilidad u obligación por el rompimiento de dicha garantía y representación. El Vendedor acuerda en indemnizar y no hacer responsable al Comprador de toda dicha responsabilidad y obligación. No obstante lo precedente, nada dicho aquí constituirá una renuncia por el Vendedor de cualquier derecho bajo la ley según cualquier acuerdo escrito u oral que pueda tener en contra de cualquier entidad."

Seller's Warrant/Seller's Warrant: Seller warrants and represents to the Purchaser the material transferred, by the Seller to the Purchaser pursuant to this Agreement is not and does not contain a "hazardous substance" as said term is defined in the current applicable federal or state environmental laws, rules, or regulations. In the event Purchaser incurs any liability or obligation due to a breach of said warranty and representation, Seller agrees to indemnify and hold Purchaser harmless from all such liabilities and obligations. Notwithstanding the foregoing, nothing set forth herein shall constitute a waiver by Seller of any rights under the law pursuant to any written or oral agreements that it may have against any entity.

EL VENDEDOR GARANTIZA. El vendedor garantiza y representa al Comprador que el material transferido, por el Vendedor al Comprador de acuerdo a este acuerdo no es y no contiene "sustancias peligrosas" como se dijo en e termino como se define en las leyes, reglas, o regulaciones ambientales federales y estatales. En el evento que el Comprador incurra alguna responsabilidad u obligación por el rompimiento de dicha garantía y representación. El Vendedor acuerda en indemnizar y no hacer responsable al Comprador de toda dicha responsabilidad y obligación. No obstante lo precedente, nada dicho aquí constituirá una renuncia por el Vendedor de cualquier derecho bajo la ley según cualquier acuerdo escrito u oral que pueda tener en contra de cualquier entidad.

In accordance with the Clean Air Act and other applicable laws, seller must sign the Scrap Acceptance Agreement form provided at the scale at least one time every 3 years, which applies to any recyclables in the transaction which may contain or have contained refrigerants or other potential Hazardous Materials

FOR SALVAGE VEHICLE SALES: I hereby certify, under penalty of perjury that any vehicle acid has been cleaned for dismantling with the Department of Motor Vehicles.

HOLD HARMLESS AGREEMENT: Seller will indemnify and hold buyer harmless for damages, demands and liabilities, including reasonable attorney's fees, resulting from the breach of any warranty hereunder and driver agrees to be responsible for damage to vehicle during unloading.

BILL OF SALE: I warrant that I am the owner (or owner's representative) of the material described hereon and have the right to sell same, that it contains no Hazardous Material as defined in the Scrap Acceptance Agreement or otherwise by any federal or state law and that for payment hereby received, I sell and convey title to Sims Hugo Neu.

Seller certifies that all refrigerant including but not limited to Chlorofluorocarbons and Hydrochlorofluorocarbons (collectively "CFC's") Refrigerants and their substitutes as defined in section 608 of the Clean Air Act that has not leaked previously have been recovered from appliance and motor vehicles prior to delivery. I understand it is unlawful to release Freon and CFC's into the atmosphere and that any CFC's must be properly removed before appliances or motor vehicle air conditioners can be recycled. I verify that either (check one):

- (1) all CFC's previously leaked from this container, or
- (2) all CFC's were properly recovered in accordance with 40 C.F.R. Section 82.156(g) and (h) by:

El vendedor certifica que todos los refrigerantes incluyendo pero no limitado a CFC's y HCFC's Refrigerantes y sus substitutos como se define en la sección 608 del Acta de Aire Limpio que no ha goteado previamente han sido recuperados de los electrodomésticos y automóviles antes de ser entregados.

Yo entiendo que es contra la ley liberar Freón y otros clorofluorocarbonos y hidroclorofluorocarbonos (legalmente llamados CFC's) en el aire y que todos los CFC's tienen que estar removidos apropiadamente antes de que los aparatos o aire acondicionados de los carros puedan ser reciclados. Yo verifico que (cheque uno):

- (1) todos los CFC's han sido previamente evacuados de este contenedor, o
- (2) todos los CFC's fueron recuperados en forma apropiada de acuerdo con 40 C.F.R. Sección 82.156(g) y (h) por:
