Re: Fuel Leak Case No. RO0003068 and Geotracker Global ID T1000002518, Lane Splitters Pizza, 3645 San Pablo Avenue, Emeryville, CA 94608 ("Site")

Dear Ms. Kambin:

This letter is a follow-up letter to my letter of April 11, 2012 to Alameda County Environmental Health Services ("ACEHS") concerning 3645 San Pablo Ave., Emeryville, California 94608 ("Site"), a copy of which was sent to you. In that letter on behalf of Dan & Vic Diversified ("D&V Diversified") I noted that Unocal/Chevron dba Chevron Environmental Management Company ("Chevron") was identified by ACEHS as a Responsible Party for the Site in all of the defined four ways set forth in 23 CCR Sec.2720. I requested on behalf of D&V Diversified that Chevron assume that primary or active Responsible Party status for the Site. D&V Diversified further requested that Chevron so agree in writing to ACEH. To date, I've received no response to my letter or the foregoing requests. Please respond.

Sincerely,

Arthur Fine
