Subject: Request for Meeting Dates; Fuel Leak Case No. RO0003070 and GeoTracker Global ID T100002521, Mulholland Residence, 132 Guilford Road, Piedmont, CA 94611

Dear Ms. Mulholland:

ACEH staff has recently reviewed the case file, including the September 21, 2011 correspondence prepared on your behalf Megan Walsh Poole, Esq. and the letter prepared by Environ Corporation, dated September 8, 2011. Since these letters were exchanged, the State Water Resources Control Board (SWRCB) adopted the *Low Threat Underground Storage Tank Case Closure Policy* (LTCP) in August 2012 for the purpose of establishing consistent statewide case closure criteria for low-threat petroleum Underground Storage Tank (UST) sites.

ACEH would like to discuss the affect of the policy on this site, and mutually determine a path to closure for your case in light of the LTCP. Please provide ACEH (email preferred) with several dates and times during which a meeting can be scheduled to discuss the path to closure. ACEH staff will select dates and times from your list to arrange the meeting, or may propose alternative times that are mutually acceptable. Please provide the list of available dates and times by **July 18, 2014**.

Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. If you have any questions, please call me at (510) 567-6876 or send me an electronic mail message at mark.detterman@acgov.org.

Sincerely,

Mark E. Detterman, PG, CEG
Senior Hazardous Materials Specialist
