Hi Donna, I left you a v-message yesterday regarding the affordable housing project at 2428 Central Ave., in Alameda (Islander Motel). We have a sampling plan we would like to present to you (or the staff person you have assigned to this project) for approval. I had requested a meeting on Monday, May 23, as Brian Saliman (RCD project manager) is out of the office for the rest of the week. If Monday doesn't work, I would like to meet another day that week that works for you. I will have Mohammad Bazargani, PE, from Strategic Engineering and Science, participate in the meeting and present his findings regarding the site and the proposed sampling plan. Pls. let me know what a good time and date is for you. tx dp
