Jerry,

We (Tetra Tech GEO, formerly called GeoTrans, Inc.) are working with Waste Management on the 6175 Southfront Road, Livermore site (SLIC Case RO0003076). Waste Management has asked us to prepare a Work Plan in response to the County's June 22, 2011 letter.

Please confirm the Work Plan due date – is it August 12, 2011 (bottom of Page 1 of the letter) or September 8, 2011 (bottom of Page 2 of the letter)?

Please reply all when responding; I'll be out of the office for 2 weeks beginning July 11, and Keith Hoofard here (copied on this message) will be working with me on this project.

Thank you,

Tim.
