Tim,

All of our case files are online; we have no paper copies. Therefore, please scan and upload the documents to the County ftp site.

Jerry,
How would you like the previous report copies submitted? Hard copies, or scanned and uploaded to the County's ftp site?
Thank you,
Tim.

Jerry,

We (Tetra Tech GEO, formerly called GeoTrans, Inc.) are working with Waste Management on the 6175 Southfront Road, Livermore site (SLIC Case R00003076). Waste Management has asked us to prepare a Work Plan in response to the County's June 22, 2011 letter.

Please confirm the Work Plan due date - is it August 12, 2011 (bottom of Page 1 of the letter) or September 8, 2011 (bottom of Page 2 of the letter)?

Please reply all when responding; I'll be out of the office for 2 weeks beginning July 11, and Keith Hoofard here (copied on this message) will be working with me on this project.

Thank you,

Tim.
