Hello Jerry, the off-haul of soil from the Ashland Youth Center is scheduled to begin tomorrow.

You mentioned that you may visit the site while we are excavating the 6 foot cut area at the northwest corner of the property. Depending how quickly things to tomorrow, we could start the 6 foot deep excavation area Friday or early next week. We will let you know tomorrow how things are looking.

Sincerely,

Peter Langtry, P.G., C.E.G.  
Principal Geologist
