**Duration:** 0 hours

Phone call with Peter Langtry of Cornerstone Earth Group. He will be submitting a work plan for soil vapor sampling. We discussed quarterly soil vapor sampling following probe installation. He asked when I will review the Excavation Report. I indicated that future reports must be formally accepted on ftp site before review. He will work with GSA to get a cover letter. All future comments or approvals from me will be in formal correspondence. Work plan review will take longer than previous reviews.
