Hello Donna-

Thank you for taking the time to chat with me on Friday about our commercial building located at 1532 Park Street in Alameda. Please find attached a copy of the Phase II report that I mentioned. Again, I appreciate anything you and your team may be able to do to expedite the review process as we are in escrow.

Since my first email did not make it to you, would you kindly shoot me an email to confirm that you received this report/email?

My cell is 310-666-8126

Very best regards,

Michael von Wittenau | Vice President, Strategic Business Development

Hello Donna,

My name is Michael von on Wittenau and you may have already heard a voice mail from me - I understand you are pretty swamped so I spoke with Mark who was very helpful and we decided it best if I email you the attached **Phase II Investigation Report** on our commercial building located at 1532 Park Street in Alameda for your review. This commercial building is in escrow and the lender asked that we conduct this test and get the county's feedback on the findings so that they may proceed with loan approval. Unfortunately, the loan expires THIS weekend and I know it is impossible for you to review in this very short notice. However, I am kindly requesting that you or your team please review at your earliest convenience if at all possible. I will ask the bank for an extension on the loan, but first would you give please give me an idea on how long you will need for the review process? I am not sure what is realistic.

I thank you in advance and please feel free to call or email me with any questions or for more information. My cell is 310-666-8126

I look forward to your response.

Kind regards,

Michael von Wittenau | Vice President, Strategic Business Development
