Hello Donna,

I just wanted to follow-up and find out if a case has been opened yet for the property noted in the subject line? You mentioned that it would be in October, so I just thought I would check in! ☺

Thanks!

Marcia Breese

Hello Donna,

I talked with your assistant or a secretary yesterday in our area in regards to my email below. She was going to follow-up with you in regards to our conversation.

Does the county offer an option for us to pay a higher amount then the original \$6000 deposit to expedite the site evaluation process?

Thanks again!

Hello Donna,

I wanted to resend this email to make sure you received it. Can you please reply to let me know?

Also, per our discussion about the timeline in regards to a Site Cleanup case, does the county offer an option for someone to pay more money to speed up the process?

Thank you!
