Dear Mr. Levi:

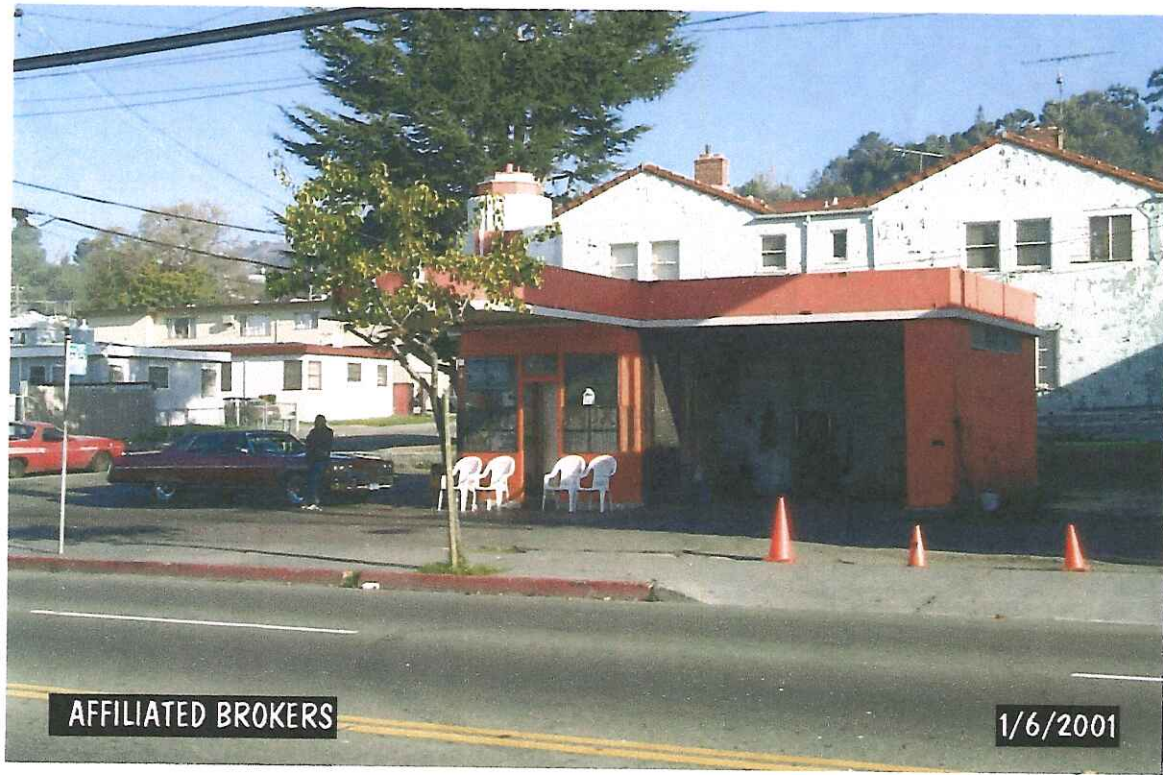

This note is in response to the Notice of Responsibility local ID# RD 0003087 letter that we received. The property located at 7600 MacArthur Blvd. Oakland, CA 94605 was sold to us in February 2001. We found no use for it and sold it in May 2003 to Ms. Hong J. Nguyen Gardner who is still the owner of the said property.

We owned the property for only two years. We did nothing to the property, no construction of any kind except the installation of a fence around the property.

The USTs and hydraulic lift removal activities that took place in January 2007 including the removal of a building structure from the site, all were done at the order and direction of the current owner Ms. Gardner and she has to be fully responsible. Please see the enclosed copies of a picture and Ms. Gardner's authorized report on the site.

Sincerely,

Seyoum Kebede and Alem Mamo
