Vanessa,

The requested amount is standard and not negotiated. The amount of work required is not pre-judged. The requested amount is a deposit that is debited as work is performed and refunded if the entire amount is not used.

Jerry,

Goodyear has just informed me that they received your letter requesting \$6000 for the oversight funds. Is that amount negotiable? We don't think it's necessary for such a small case. Please advise.

thanks

Vanessa,

Please send me the contact information (name, address, email) for the responsible party for the above referenced case. I will be sending a request for regulatory oversight funds to the responsible party so that I can work on this case.
