Dilan -

Thanks so much for getting back to me so quickly this morning. As we discussed, we have scheduled a technical meeting for 2 August 2012 at 1 pm. This will be just technical and I will be the only attendee representing Signature at this meeting. We will discuss the technical aspects of the site and lay out a course of action. If appropriate, there may be a subsequent meeting with Signature and other representatives of the County.

Patrick -

Please reply to this email to verify that Signature approves the meeting with Earl James of EKI as the representative of Signature.

Looking forward to meeting you Dilan.

Earl
