Hi Catalina: Thank you for updating me regarding the site's status in your voice mail and e-mail; yes, I do understand the length of time needed to get everyone onboard, and with the Holidays fast approaching, I will extend the both deadlines to 1/11/2013.

Have a fine Thanksgiving!

Hi Karel,

This email follows a voicemail I left you today requesting an extension for both submittals outlined in your Sept. 27, 2012 letter. The reason being we are in the process of working with the other parties on how we are going to work together on this project. Chevron has finalized a draft Agreement for the other parties to consider. Additionally, we have the holidays coming up so I would like to ask you for an extension for January 11, 2013.

I am mindful that Chevron has already requested an extension for the first submittal (Claim the site in GeoTracker). So I will make sure we meet the extended deadline if you grant it.

Let me know if you have any questions or comments.

Thank you,
