Mr. Plunkett,

Attached is the Underground Storage Tank Closure Report for the California National Guard Armory in San Lorenzo, CA. AIS is requesting closure of the UST site at San Lorenzo Armory. Per your conversation with Kelly Stater, I understand you did not request a hard copy. Unfortunately, I have had to split the report into four separate emails due to document size. Please review parts 1 through 4. If you have any questions or comments, please contact us at 805-639-0884.

Thank you,

Kelly Therrien
