Ms. Drogos,

I was curious as to the status of the San Lorenzo UST Closure Report that was forwarded to you by Mr. Steven Plunkett. Our client would like an idea of when they can expect closure on the report, and I was hoping you might provide me with an answer. Thank you for your assistance.

Sincerely,

Kelly Therrien

Hello Kelly,

I have submitted the documentation from the UST removal and the tank closure report to the program manager, Ms. Donna Drogos. Ms. Drogos will make a determination regarding the ust removal, as my responsibility was only during the UST removal and confirmation sampling.

Should you have any questions, please direct all inquiries to Ms. Drogos.

Thank you for your cooperation.

Sincerely,
Steven Plunkett
