Chris,

I've attached the directive letter we spoke of; hopefully it will answer some of your questions. Also for your reference, please see the link below my name. It will take you to the ACEH website where you can review all documents we have for the site. Using the top link on the page the loads, a popup will appear. Click out of the "Food Inspection Results" box, and then click the LOP box at the top. Use any of the options (I use the RO number (RO00003099)) to see what the county has. Let me know if you have any questions.

Best,

Mark,

Thank you very much for taking the time to chat with me regarding the subject site. I'm working on locating a copy of the 2009 Kleinfelder site investigation report and I will send it to you as soon as I will get it. Please PDF your most recent letter and email it to me when you get a chance. Happy New Year!
