**Hi Everyone,**

**I am hoping one of you can help me with this constituent request. Ted Buttner lives in Sunol, but owns a commercial building in Oakland-1900 Webster Street.**

**He is planning on selling it and has a buyer lined up.**

**They have done the proper environmental study needed and the report will be out next week.**

**The report will show that the building has no benzene or other damaging contaminants.**

**Ted is leaving for Russia on Oct 20 and is concerned that the process at the County level will get log jammed.**

**He has heard that there is a "No Action Policy" from your dept. that will speed the process along if the environmental report is clean.**

**He wants to know if that is true and if you can email that provision to him.**

**Teds contact information is as follows:**

**Phone# : 925.862.2019**

**Email: [embuttner@comcast.net](mailto:embuttner@comcast.net)**

**I will be happy to forward and contact Ted with the response.**

**Thank you for the help!**

**Sincerely,  
Ginny**
