Jerry,

As we discussed this morning, I would like to request an extension of the due date for a report on this investigation to May 12, 2015. We have an access agreement in place and have scheduled the drilling work for February 23 through 26, 2015, with soil vapor sampling tentatively scheduled for the week of March 16, 2015.

Regards,

Peter Schaefer, CEG, CHG
