Subject: Request for Regulatory Oversight Funds for Spills, Leaks, Investigation, and Cleanup Case No. RO0003136 and GeoTracker Global ID T10000006057, Public Storage #CA13186, 6800 Overlake Place, Newark, CA 94560

Dear Mr. Fitzpatrick:

Our records indicate that the current balance on the above-referenced SLIC oversight account is a negative \$2,035. In order to continue to provide regulatory oversight, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$4,500.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$174.00 per hour. Please write "SLIC" (the type of project), the site address, and the account ID AR0341589 on your check.

If you have any questions, please call me at (510) 567-6791 or send me an electronic mail message at jerry.wickham@acgov.org. Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
Senior Hazardous Materials Specialist
