Dave,

Happy new year! Now that the perjury statement issue is behind us, I reviewed the Alameda County Environmental Health (ACEH) case file. It appears the only documents in the file are correspondences from ACEH. Please upload your work plan and the previous investigation that the work plan references so we can get the review in the queue.

Regards,
Keith Nowell

Hi Keith, happy new year. Thought I would check in and see where you are at with the project review now that we finally got the owner to sign the perjury statement.

Best regards, Dave
