Dhruv,

It was a pleasure meeting with you, Pravin, and David today and speaking with Larry David on the conference call. I've attached an example of the tabular Site Conceptual Model (SCM) with Data Gap Identification table for your use.

ACEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org).

Respectfully,  
Keith Nowell
