Good morning, Jerry:

We already paid the fee. Have you assigned a case worker yet? We'd like to schedule a meeting with your team to understand the plans. Please get back to us asap.

Thanks,  
Joseph

Joseph,

The October 29, 2014 letter explains the process to submit a deposit so that we can assign a case worker to work on your case. After that, you should come in to our office for a meeting to understand your plans. Do you have an environmental professional who you are working with to develop plans for your development?

Regards,  
Jerry Wickham

Dear Jerry,

It has been quite a while we haven't worked on this project yet.

Recently, we decided to move forwards again. Please advise what we need to provide to activate this process.

Thanks,  
Joseph
