Subject: Site Cleanup Program Case No. RO0003167, Mercury Cleanup, 1315 Court Street, Alameda, CA 94501

Dear Mr. Meuser:

Alameda County Environmental Health (ACEH) is contacting you regarding an investigation and cleanup that was conducted at your property for elemental mercury that was discovered in the backyard of your property. Further work is necessary to complete the investigation and cleanup process for your property. In order to complete the process, ACEH has opened a case in our Site Cleanup Program (SCP) to provide regulatory oversight for the above referenced site.

Funds for regulatory oversight in the SCP are provided directly by the property owner or other responsible parties. Therefore, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$3,000.00 as a deposit for regulatory oversight. Please send your check to the attention of our Finance Department. This deposit may or may not be sufficient to provide all necessary regulatory oversight. Funds received by ACEH for SCP cases such as yours, are held in a deposit/refund account. The deposit/refund account is charged on an hourly basis as case work is performed. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour. Please write "SCP" (the type of project), account number "AR0345055", and the site address on your check.

The ACEH case worker assigned for this case is Mark Detterman who can be reached at 510-567-6876 or by electronic mail at: mark.detterman@acgov.org. Case files can be reviewed online at the following website: <http://www.acgov.org/aceh/index.htm>.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
Senior Hazardous Materials Specialist
