Subject: Public Notification of Case Closure Consideration, Fuel Leak Case No. RO0003170 and GeoTracker Global ID T10000006756, Second Avenue UST, 1607 2nd Avenue, Oakland, CA 94606

Dear Responsible Parties:

Alameda County Department of Environmental Health (ACDEH) staff is considering the above referenced site for potential case closure. As you are aware a site investigation for leakage associated with the underground storage tank system has been performed at the subject property to which you are named as the primary or active responsible parties.

Public Participation

Public participation is a requirement for the case closure process. In order to notify potentially affected members of the public of the potential fuel leak case closure, a *Notification of Potential Case Closure* (Notification) will be distributed to owner and occupants of properties in the immediate vicinity. The Notification requests that landowners or residents submit any comments or questions to ACDEH regarding potential case closure.

The distribution list and Notification document are included as attachments. ACDEH requests that you perform mailing the Notification by June 9, 2018 to the owners/occupants identified on the distribution list in order to accommodate the dates identified in the Notification. Following the mailing, please provide our
