Subject: New Site Cleanup Program Case No. RO0003178, Hydraulic Lifts 750 A Street, 750 A Street, Hayward, CA 94541

Dear Donald Boehm Family Trust:

In response to your request, Alameda County Environmental Health (ACEH) has opened a Site Cleanup Program (SCP) case to provide regulatory oversight for the above referenced site. We understand that the purpose of the case is to provide regulatory oversight for investigation of a release from hydraulic lifts at 750 A Street site.

Funds for regulatory oversight in the voluntary cleanup program are provided directly by the property owner or other responsible parties. Therefore, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$6,000.00 as a deposit for regulatory oversight. Please send your check to the attention of our Finance Department. This deposit will be held in a deposit/refund account and may or may not be sufficient to provide all necessary regulatory oversight. The deposit/refund account is charged on an hourly basis as case work is performed. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused funds will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project will be debited at the Ordinance specified rate, currently \$175.00 per hour. Please write "SCP" (the type of project), account number "AR0347395", and the site address on your check. Case files can be reviewed online at the following website: <http://www.acgov.org/aceh/index.htm>.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
Senior Hazardous Materials Specialist
