**D. GENERATOR CERTIFICATION**

I hereby certify that the above-described soil materials are non-hazardous as defined by 40 CFR 261 or any applicable state law, and does not contain PCBs regulated under TSCA 40 CFR 761. I also certify that the above-described soil materials were not sourced from a property with Recognized Environmental Conditions. The term "Recognized Environmental Conditions" means the presence, or likely presence of hazardous substances or petroleum products on the Site under conditions that indicate an existing release, a past release, or a material threat of a release of hazardous materials or petroleum products into structures on the subject Site; or into the ground, groundwater, or surface water of the subject property. The term includes hazardous substances or petroleum products even under conditions in compliance with existing laws. Further, I certify that the above-described materials are properly classified, described, packaged, marked, and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
