Subject: RO3198 2820/2855 Broadway EDF Data and Fact Sheet
Attachments: RO3198 Geotracker Data Upload Confirmation.pdf; RO3198_ Fact Sheet_Nov_2016.pdf

As a follow up to the meeting on Friday, we have uploaded the lab data and bore log information into geotracker in EDF format along with the previous reports already uploaded. Attached is the confirmation. The format for land survey information for the wells needed to be updated by the licensed surveyor and will be uploaded early next week.

The fact sheet that was previously approved will be sent today for next week delivery.

Thanks to all and Happy Thanksgiving.
