Mr. Bland,

I'm forwarding a copy of the most recent Alameda County Department of Environmental Health (ACDEH) letter regarding the referenced case number, as I understand you are the new contact person. I suspect your consultant, Chris Heiny of the Cornerstone Earth Group, will have done so also, but wanted to ensure you received a copy. Please review the letter and should you have questions, please let me or Chris know. I will update my contact information for the site. Thanks,
