Hi Aubrey,

Anne is leaving us at the end of the month, so we are in the process of reassigning the case. As for the agenda, we are interested in discussing the items listed in our July 18, 2016 email correspondence (attached). Also, it does not appear that any documents have been uploaded to GeoTracker, as previously requested. Please upload all site documents to GeoTracker. Lastly, the Responsible Party should be in attendance.

Please do not hesitate to contact me should you have any questions or concerns regarding this email.

Sincerely,

Paresh Khatri

Hi Paresh,

Ok, I'll check our schedules and get back to you. Who were you thinking should attend and what topics did you want to cover? Also is Anne still the caseworker assigned to this project?

Regards,  
Aubrey

Hi Anne,

I attached a signed VRAP agreement from USCF Benioff Children's Hospital. It includes the updated APN we discussed. Parcel 14-1206-4 is not part of the project.

Please let me know when might be a good time to schedule a brief conference call to outline the next steps to complete the soil vapor survey. I was thinking we would include you and Peter Sims since you were both at the meeting last summer.

Thank you,  
Aubrey
