Hello Trent,

According to ACDEH's files for the above-reference case, an unauthorized released report has not submitted. If you have a copy, please submit to ACDEH's FTP site. If the report cannot be found, please complete one and upload it to the FTP site. A PDF of the form is attached to this email. The form is short, and I have copied Bob Clark-Ridell in case you may require his assistance with some of the information. Let me know if you have any questions.

Sincerely,

Anne
