Dear Responsible Parties:

Alameda County Department of Environmental Health (ACDEH) is considering the above referenced site for potential case closure. As you are aware, site investigations for an underground storage tank leak have been performed at the subject property to which you are named as a primary or active responsible party.

#### **List of Landowners Form**

Pursuant to Section 25297.15 (a), ACDEH, the local agency, shall not consider cleanup or site closure proposals from the primary or active responsible party, issue a closure letter, or make a determination that no further action is required with respect to a site upon which there was an unauthorized release of hazardous substances from an underground storage tank subject to this chapter unless all current record owners of fee title to the site of the proposed action have been notified of the proposed action by the primary or active responsible party. ACDEH is required to notify the primary or active responsible party of their requirement to certify in writing to the local agency that the notification requirement in the above-mentioned regulation has been satisfied and to provide the local agency with a complete mailing list of all record fee title owners.

To satisfy this requirement, please complete the enclosed *List of Landowners Form*, and mail or e-mail it back to ACDEH ([anne.jurek@acgov.org](mailto:anne.jurek@acgov.org)) by the date identified below.

regarding potential case closure. ACDEH will consider all comments from the public prior to potential case closure.
