Subject: ACDEH case RO0003236 and GeoTracker Global ID T10000010020, 3000 Broadway Redevelopment Project, 250 30th Street, Oakland

Good Morning Alan,

Thank you, your partners, and consultants for participating in the meeting yesterday. I wish to inform you that the subject case has been created in the State Water Resources Control Board's (SWRCBs) Geotracker website and the Alameda County Department of Environmental Health (ACDEH) FTP site. The case is identified as RO0003236, 3000 Broadway Redevelopment Project, 250 30th Street, Oakland, GeoTracker Global ID T10000010020.

Please upload documents including, but not limited to, Phase I and Phase II environmental site assessments and the work plan for additional site investigation (GEO_REPORTs), laboratory analysis reports (EDFs), maps depict site and boring locations (GEO_MAPs), and soil bore logs (GEO_BOREs). These documents will aid in our review of your case.

At the meeting yesterday I mentioned the Alameda County Assessor's Office records currently identify the Burrows (Bruce, Barton, Patricia, et al) as the property owners of parcel APN 9-704-11-1. Please provide ACDEH, via email attachment, Attn.: Keith Nowell- keith.nowell@acgov.org, a copy of a legal document identifying the current property owner.

Thank you,
Keith Nowell
