Subject: City of Oakland Contact

Hi Keith,

It was good speaking with you today and thanks for your offer to email the City of Oakland on our behalf to get the wells on Brook Street permitted. As discussed, these wells are key to our proposed remediation at the site and without them the remediation may be delayed.

The contact person at the City is listed below.

Chris Bacina
Senior Engineering Tech
Ph: 510.238.3759
cbacina@oaklandnet.com

Thanks again.
